Answer of page 8

Who Am I?

Read the description and match it with the suitable animal picture

2

5

I am the closest living relative to humans, my skin and hair are black. My face has large nostrils, and small ears.

I am a scaly-skinned reptile, I have legs, movable eyelids, and external ear openings.

3

I am a small to medium-sized bushy-tailed dog with long fur, pointed ears, and a narrow snout. My common preys are rabbits and field voles.

I am the tree-dwelling marsupial of coastal eastern and southern Australia. My body is stout and gray, my face has a wide, rounded, leathery nose, small yellow eyes, and big ears.

4

7

I have a slender body with short legs, a strong neck, and a long-flattened tail that helps me gracefully propel through water.

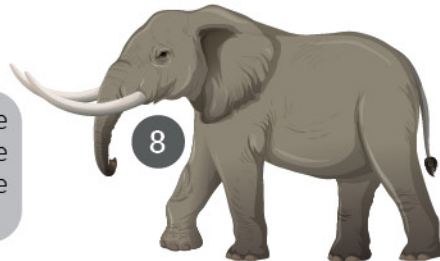

6

I am a small-sized animal with slender body, a very long very bushy tail and large eyes. My fur is soft and silky. I eat a wide variety of plants, as well as nuts.

1

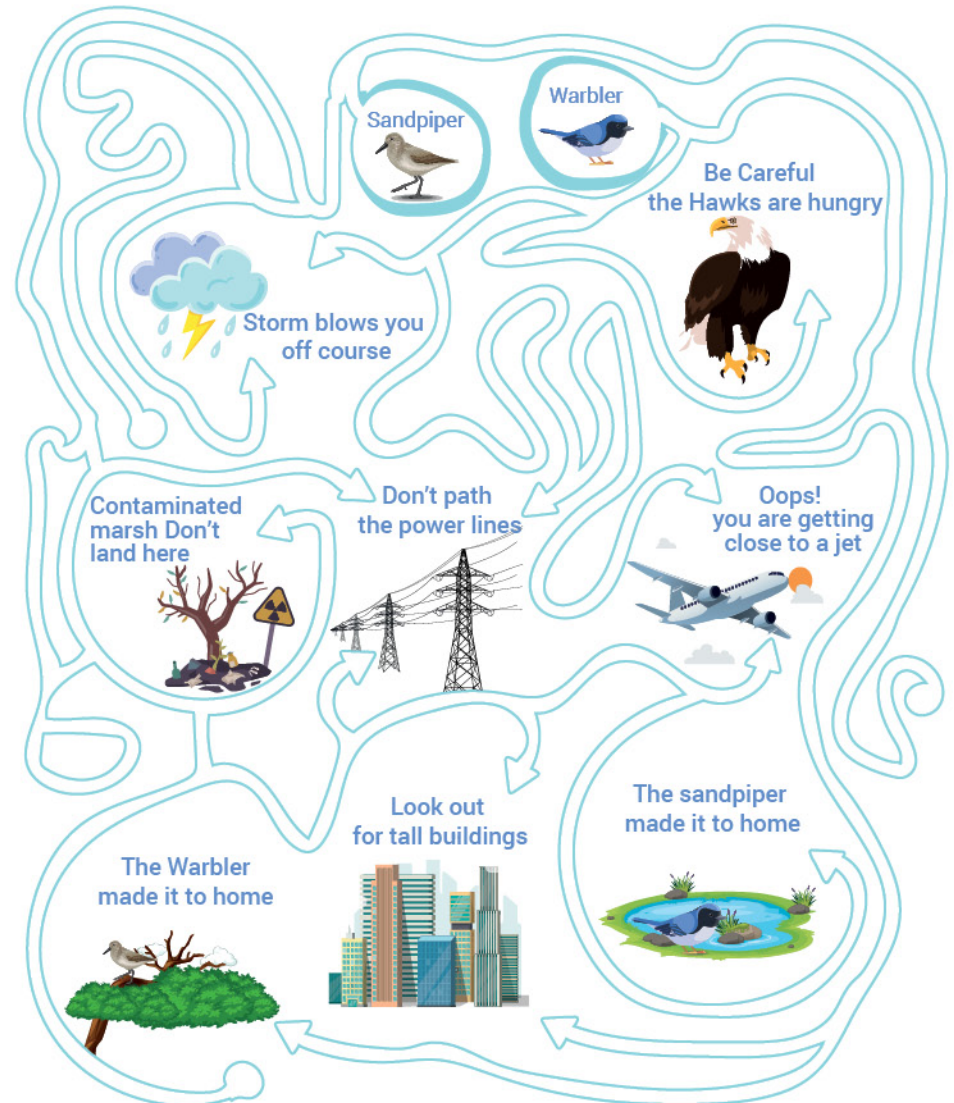

I am the largest existing land animals, I have a long proboscis called a trunk. Which I use for breathing, bringing food and water to the mouth, and grasping objects.
