

Introduction

The Bibliotheca Alexandrina (BA) cordially invites you to the Bibliotheca Alexandrina International Book Fair organized annually to highlight several subjects. In previous editions, it shed light on subjects including children, women, electronic publishing, among others. Additionally, the Book Fair has hosted several Arab and foreign countries; such as: Algeria, France, Mauritania, Morocco, and Kingdom of Saudi Arabia.

It is worth mentioning that the Bibliotheca Alexandrina International Book Fair has succeeded in developing the book-making industry in the past years through the Arab countries and the world as a whole. It has also encouraged the youth to read more. The Book Fair is widely considered a hub for readers, authors, and intellectuals, to meet and literally exchange ideas.

(A) General Information

1. The Book Fair will be held from **12–26 July 2023** (both days included).
