Young Leaders Visitors Program.

Connecting leaders for positive change.

APPLY TO A LEADERSHIP PROGRAM UNLIKE ANY OTHER

The Young Leaders Visitors Program aims to lay a foundation for a long-lasting and mutually rewarding relationship between Sweden, the Middle East and North Africa by connecting influential voices in both regions.

The Young Leaders Visitors Program focuses on:

Leadership: personal development and group dynamics from an intercultural perspective.

Social media: training in innovative technologies as practical tools for shaping public opinion and driving social change.

Internships: hands-on experience with top Swedish media organizations.

Knowledge-building: visits to Swedish authorities, organizations and institutions, as well as lectures on relevant media, democracy and human rights issues.
