116	Thursday 1/4/2010	Tuesday 13/7/2010	Training: The Academic Committee of the Alexandria International Model United Nations (AIMUN) 2010	تدريب: اللجنة الأكاديمية لنموذج محاكاة الأمم المتحدة بالإسكندرية 2010	Alexandria International Model United Nations AIMUN is a simulation for the United Nations different organs and other multilateral bodies where students develop and practice skills in research, organization, writing, debating, lobbying, negotiation, cooperation and compromise. It assists students in understanding the intricacies of global problems, but also underscore the potential for solutions through discussion and multilateral cooperation. In essence, Model UN activities create links between participants and enhance the capacity of young people to communicate and share ideas, expertise and experience with each other. This year's AIMUN2010 Peace-building Commission (UNPBC) is concerned by the reconstruction of a country emerged from an armed conflict with special focus on the fragile state and means of Peace-building, taking into consideration, the important role given to women as a fundamental element in conflict transformation and sustainable development.	Closed Meetings	Rania Shaarawy Head of Depository and Government Documents Collection Unit Public Services Department Library Sector Tel.: +203 4839999 Ext: 2753 rania.shaarawy@bibalex.org
